Session covered:

- Deal with behavior in the classroom
- How do we define misbehavior?
- Students need to learn and have fun in the same time
- Planning your classroom management strategy
- Discipline Plan
- Temper Management Plan
- Self Management Plan

During the session teachers asked many questions relayed their experiencesand how they dealt with the situations (negative & positive outcomes)

Title: Language Activities - Early Years **WEDNESDYA AUGUST 9, 2006**

Presenter :Jacquie Von Wersch from South Australia

25 teachers attended a workshop on Language Activities for Younger students, conducted by Jacqueline von Wersch, Professional Development Officer ESA South Australia.

For 2 hours the participants tried out a number of enjoyable and meaningful language activities that:

- are suitable for students aged 4 – 10 years
- encourage the students to practise listening, speaking, reading and writing
- reinforce teaching programs
- have been proven successful in the classroom setting
- help the students to enjoy their learning.

The participants left with many ideas; some of which will be on this website shortly.

Many activities played out on the night!

More to come!!
