VICTORIA'S COMMUNITY LANGUAGES SCHOOLS STUDENTS AMONGST THE BEST OF THEM AT VCE

In excess of 70 students from 31 different Community Languages Schools in Victoria were amongst the VCE 2006 TOP SCORERS published in today's Victorian Newspapers

Community Languages Australia and the Ethnic Schools Association of Victoria extend their congratulations to the students who received a mark in the 50-40 range making them the group that excelled in the language of study. The hard work of teachers, school administrators, parents, but most of all students has again provided strong results.

The languages in which students were Top Scores were: Arabic, Chinese, Classical Greek, Greek, Filipino, Japanese, Korean, Punjabi, Romanian, Russian, Swedish, Turkish and Vietnamese.

A full list of school will be distributed later today.

We congratulate all students who studied a language at VCE in 2006. You are now well equipped to continue your studies in language. You will now have a stronger understanding of language and culture –
You take an important asset with you into the future. Maintain it!

Well done! We encourage students to consider studying the language at tertiary level in 2007! With time would be great to see you come back and teach in the community languages school sector.

Community languages schools – Where language and culture come together!
