Skills and Employment**

Research Project 1

The State of Languages Education in Australia: Participation and Provision

An indicative profile of the current state of languages teaching and learning across Australia

Report on gaps in existing data and how to improve nationally consistent data collection processes

Research Project 2

Towards a National Plan and Strategies

A review of current learning and teaching materials in-use in Australian education settings

Recommendations and strategies for increasing the uptake of language learning in Australia

CLICK BELOW TO COMPLETE TEACHER SURVEY 2 TO SHARE YOUR QUALIFICATIONS AND EXPERIENCE IN LANGUAGE TEACHING!
